

Madam Speaker, I want to invite everyone in this House to join together in helping good people like Shad and Michelle Hallihan. Let us do it. Let us eliminate the marriage tax penalty. Let us do it in a bipartisan way. I hope this time the President will sign it into law.

PRAYER

The Chaplain, the Reverend Daniel P. Coughlin, offered the following prayer: Eternal God, source of all authority under the heavens, and true Spirit who governs the world, renew us in Your image and make us a holy Nation.

Help young and old alike to comply to the laws of this land and offer respect to all who hold positions of rightful authority.

May Your Spirit stir in each human heart a gracious freedom that chooses to obey. May people everywhere embrace laws which assure good order and protect the life and liberty of all.

Give all lawmakers, this day, prudence and wisdom so that citizens may see Your holy will in true governance, both in good times and in bad times. For You live and govern now and forever. Amen.

GAS PRICES SKYROCKET BECAUSE OF ADMINISTRATION

(Mr. GIBBONS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GIBBONS. Madam Speaker, every American with a car cannot help but notice how gas prices are skyrocketing out of control. Before summer began, the Clinton-Gore administration released a report showing that Americans could be paying as much as \$1.80 a gallon for gas by this summer.

But, lo and behold, the Clinton Administration is no better at predicting gas prices than they are at protecting our Nation's most classified nuclear secrets. In many Midwest and Western States, prices so far are higher than \$1.80; how about \$2.35 a gallon and rising?

Vice President GORE, now touting his risky scheme to cut gas taxes, seems to forget that in 1993 he cast the tie-breaking vote to increase gas taxes, adding to the tax burden of seniors and working families in this country.

When it comes to keeping gas prices reasonable, the Clinton-Gore administration has failed the American people; and now, unfortunately, the American people are paying at the pump for this administration's mistake.

SUPREME COURT DECISIONS CONFUSING AMERICA

(Mr. TRAFICANT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TRAFICANT. Madam Speaker, the courts have struck again. First, it is now perfectly legal to jab scissors into the brain of a full-term baby being delivered until the baby dies; second, Internet pornography is now perfectly legal, even for kids.

Think about it. The courts have ruled Communists can work in our defense plants, full-term babies can be killed, pornography, even for kids, is legal; but you cannot pray in school.

Beam me up. No wonder America is confused and screwed up.

I yield back the brains of these judges that evidently they have been sitting on for a long time.
